Cover Letter

Dear recruiter,

My name is Maria N'Canghe, I'm portuguese, and I am Musician / Violinist, deigner, painter, web developer, admnistrator, sometimes I just say that I'm a all-rounder.

Over the past years, I have worked and build a strong foundation of knowledge and skills that have enabled me to achieve consistent results and make evrything I want.

I am highly adaptable and capable of handling pressure and tight deadlines while always prioritizing the quality of work. I firmly believe in the importance of a results-driven approach, constantly seeking ways to improve processes and enhance efficiency.

I would like to emphasize my strong desire to be part of a dynamic and innovative team, contributing with my skills and experience to achive success. I am confident that my passion, dedication, and determination will enable me to play a valuable role in business market.

Thank you for considering my application, and I am available to discuss any additional aspects you consider relevant.

Best regards,

Signed:

Maria N'Canghe
